2U Fixed Patch Panel

DESCRIPTION

Our 2U rackmounted vertical fixed patch panel is available unloaded or pre-loaded with up to 48 x SC Duplex or 48 x LC QUAD adapters (singlemode / multimode).

The panels lower tray features punched screw holes for securing our fibre management trays, and pressed loops for securing fibre in place. The panel is constructed from cold-rolled steel and finished with a durable and aesthetically pleasing matte black powder coating. Other finishes, such as a grey powder coating and natural stainless steel are also available.

FEATURES:

- Fixed Lid Style, Giving Greater Security
- SC-Duplex, LC-Quad Adaptor Holes
- Fibre Capacity = 96 SCD/192 LCQ
- Colour Finish – Black, RAL 9005
- RoHS Compliant
- Supplied with fibre-management kit
